

Heavy Duty Length Measuring Counters

FEATURES:

- Heavy duty design
- Push button reset
- Double-sided shaft
- Long mechanical life
- High speed

DESCRIPTION:

These length measuring counters offer high visibility and durability. Push button reset, rugged metal housing, high-speed operation and double sided shaft features make them ideal for many industrial applications. Each model includes two black rubber wheels. The feet and inch version has the first digit black-on-white for inches and white-on-black for feet displaying up to 9999ft11. The yard and meter versions have the first digit yellow-on-black and white-on-black for the other digits, displaying up to 9999Y9 or 9999m9

Typical applications including textile machines, winding machines, automatic machines, presses, shearing machines, printing machines, measuring of tape, measuring cloth, paper, extruded material, etc...

SPECIFICATIONS:

Series	RL-136-5 FT	MW-3:10-5-Y	MW-3:10-5-M
Function	Feet & inches	Yards & 10ths	Meters & 10ths
Digits	5		
Figure Size	6 x 4mm (.24 x .16") inch digit 5 x 3.5mm (.2 x .14")		
Shaft Diameter	7.5 mm (.295")		
Shaft Position	Double sided		
Direction	Top Going (Top Coming available upon request)		
Reset	Push button (do not reset while in motion)		
Max. Speed	300 (feet, yards or meters)/min		
Torque	250gcm		
Housing	Metal		
Weight	730g (26oz)		
Operating Temperature	5 to + 50 °C / 41 to 122 °F 85%RH maximum
